Education

Xi'an Jiaotong University , Xi'an, China <i>Ph.D. in Information Systems</i> ; Advisor: Shan Liu	2022.02–2026.12 (expected)
HEC Paris , Paris, France <i>Visiting Ph.D. Student</i> ; Advisor: Xitong Li	2024.02–2025.07
Xi'an Jiaotong University , Xi'an, China <i>M.S. Student in Information Systems</i> (transferred to the Ph.D. program)	2020.09–2022.02
University of Electronic Science and Technology of China , Chengdu, China <i>B.S. in Computer Science & B.S. in Finance</i> ; Rank #1	2016.09–2020.07

Research Interests & Methods

Topic: Digital Platforms; AI and Technology Adoption; User-Generated Content; Content Pricing; AI for Science

Method: Econometrics; Causal Inference; Machine Learning; Computational Social Science; Text Mining

Working Papers

- Keyu Cui**, Shan Liu, Baojun Gao, and Xitong Li. “Nudging Normative Online Reviewing Behaviors: Can Review Sorting Systems Help?”
MIS Quarterly, under minor revision.
- Keyu Cui**, Fengyuan Liu, Yuan Yuan, Bedoor AlShebli, Shan Liu, and Xitong Li. “Women Experience a Compound Disadvantage When Adopting Artificial Intelligence in Scientific Research.”
Nature Communications, under 3rd-round review.
- Keyu Cui**, Hao Wang, and Shan Liu. “Can Early Access Accelerate Views? The Impact of Time-Based Priority Service on Digital Content Consumption.”
Information Systems Research, under 2nd-round review.
- Chenze Wang, **Keyu Cui**, Shan Liu, and Xitong Li. “The Double-Edged Impact of Generative AI on Online Reputation Management: Evidence from Online Creative Communities.”
Manufacturing & Service Operations Management, to be submitted.

Publications

- Keyu Cui**, Chenze Wang, and Shan Liu. “When Platforms Integrate Generative AI: The Dynamics of Professional Contribution in Artist Communities.”
Internet Research, forthcoming.
- Muyu Zhang, Shan Liu, Baojun Gao, **Keyu Cui**, and Guangsen Si. “The Dual Faces of Cultural Heterogeneity in Firm Growth: Evidence from Large-Scale Employee Reviews.”
Journal of Business Research, 205, 115907, 2026.

Work in Progress

- Atypical AI Adoption and Pivot in Research.
- Detecting Misinformation Through Inference-Relation Inconsistency: A Multi-Graph Neural Network Approach.
- Measuring Citation Hallucination Risks at Scale in the LLM Era.

4. Open but Incomplete: Scholarly Record Gaps Shape Scientific Claim Hallucinations in Generative AI.

Conferences

International Conference on Social Computing (ICSC), Oxford, UK	2026
Sustainability and Organizations Research Day, Paris, France	2025
Pacific Asia Conference on Information Systems (PACIS), Nanchang, China	2023

Honors and Awards

China Scholarship Council (CSC) Scholarship	2024
Academic Excellence Scholarship (Highest Tier), Xi'an Jiaotong University	2020
Freshman Scholarship, Xi'an Jiaotong University (Top 1%)	2020
Outstanding Graduate, UESTC	2020
China National Scholarship (Top 0.2%)	2018
National Silver Award, "Chuang Qing Chun" China College Students' Entrepreneurship Competition	2018
Academic Excellence Scholarship (Highest Tier), UESTC	2018
China National Scholarship (Top 0.2%)	2017
Academic Excellence Scholarship (Highest Tier), UESTC	2017

Teaching Experience

083149: Management Information Systems and Digital Transformation (Graduate)	2025
<i>Teaching Assistant</i>	
Assisted with course delivery, student discussions, and assignments, and designed and guided students through generative-AI projects and AR interaction experiments.	
Introduction to AI for Science and Innovation	2025
<i>Guest Lecturer</i> (host: Shan Liu)	
Delivered a guest lecture on the use of artificial intelligence in scientific research and innovation.
